Food Controller and Director of Civil Supplies in Mysore.

TO

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith a copy of letter No. M.101/20-2 of the 14th instant received from the Director of Civil Supplies, Madras, regarding the interchange of foodstuffs between the Madras Presidency and Mysore for January 1920. It will be seen that he agrees to let us have 464 tons of rice from the Godavari, Krishna or Tanjore districts in exchange for 260 tons of ragi and jola and 204 tons of rice for the Nilgiris and Hosur. As the matter is urgent (the month being half over), I have in anticipation of approval of Government agreed to the arrangements proposed by the Madras Director. The import of 464 tons of rice from Madras will have a very good effect on the market in Mysore as I understand that the price of rice is very moderate in the Krishna district. The Deputy Commissioner of Mysore has intimated that ragi for the Nilgiris may be drawn from the taluks of Nagamangala, Mandya and Malavalli. Accordingly I have telegraphed to the Director of Civil Supplies,

Madras, as follows:-

803 "Your letter fourteenth instant. I agree interchange arrangements proposed subject to ragi being drawn only from Nagamangala, Mandya and Malavalli taluks of Mysore District."

I request that the above arrangements may be approved.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director of Civil Supplies in Mysore.

KM/MPH.

Letter M. No.101/20-2 dated 14th January 1920 from the Director of Civil Supplies, Madras, to the Director of Civil Supplies in Mysore, Bangalore.

With reference to your letter No.8871 dated 5th instant, regarding the interchange of foodstuffs between the Mysore State and this Presidency for January 1920, I have the honour to state that the Collector of the Nilgiris required 260 tons ragi and cholam and 130 tons of rice and the Collector of Salem requires for Hosur 74 tons of rice from Mysore this month. You may allow this quantity to be drawn and in lieu of it draw 464 tons of rice from Godavari, Kistna or Tanjore districts and I will countersign your certificates to this extent. Please let me know by wire if you agree to this arrangement so that I may advise the Collectors concerned.
